The activity beautifully transformed patriotism into purposeful learning, inspiring young minds to celebrate freedom not merely as a historic achievement, but as a responsibility to build a more inclusive, compassionate and united India.

WORLD HUMANITARIAN DAY – COMPASSION IN ACTION

On the occasion of World Humanitarian Day, the students of Grades X and XII visited Shalom Home, Nadaikavu, transforming a simple afternoon into a meaningful experience of compassion, connection and service. Carrying not just their contributions but also hearts filled with love and concern, the students spent precious moments with the residents, sharing smiles, conversations and gestures of kindness.

The visit became more than an outreach programme—it was a lesson in humanity beyond the walls of the classroom. Through this experience, students discovered that service is not measured by the size of what we give, but by the sincerity with which we give it. The warmth of the interaction reminded them that a small act of kindness can become a ray of hope in someone's life. The visit beautifully reflected the spirit of the day: to celebrate humanity not merely through words, but through love, empathy and action.
